

Project Ideas to Help WCHS – FOR ALL AGES!

Puppy Mush Recipe

- 1 pound lean ground beef
- 3 cups white rice
- 1 bag frozen broccoli
- 1 tsp bottled, minced garlic

Cook meat with garlic. Please drain excess grease from meat. Mix garlic in thoroughly so it is distributed evenly. Cook rice. Mix meat, rice and broccoli and bag in quart sized baggies. We use the puppy mush to feed to puppies along with dogs that are sick needing a bland diet or not eating for other reasons. Keep frozen until delivery. *If you would like to increase the recipe, feel free!

Hot Dog Treats

Slice fresh hot dog lengthwise. Cut halves into small bite size pieces. Place on paper towel on microwave safe plate. Microwave 30-60 seconds. Stir and repeat several times until hot dog pieces are dehydrated. Store in ziplock bags.

Make catnip toys for adoptable cats

(take infant sock, fill with stuffing and catnip, sew)

Make bandanas for adoptable dogs

Decorate bandanas for adoptable dogs.

Peanut Butter Jar Drive

Ever wonder what to do with the rest of the peanut butter you cannot get out of the empty jar? Well, the dogs at WCHS would love those “almost gone” jars to enjoy. The dogs at WCHS get them as a treat to entertain them and keep them happy. Please donate any “almost” empty plastic jars with the lids on to WCHS. An easy way to help the dogs!

Donation Drive

Bake for the animals!

Baking for one of our many bake sales is a fun and easy way to offer volunteer service. There are several times of the year that WCHS has a bake sale in conjunction with an event. If you would like to get on the email reminder list, please email Erin at volunteer@wchspets.org. Baking is a wonderful way for groups to help outside of the shelter!

Donations can be dropped off at the shelter: Mondays 8am-7pm, Tuesdays 8am-5pm, Wednesdays 8am-8pm, Thursdays 8am-5pm, Fridays 8am-5pm, and Saturdays 8am-5pm.
